Accordingly, the Board will be required to file the Record of Employees' 2018 Salaries and Benefits with the funding ministries, being the ministries of the Attorney General, Community Safety and Correctional Services, and Children, Community, and Social Services. This will also form part of the Salary Disclosure 2018 on the Ministry of Finance website on or about March 31, 2019.

We are grateful to the Province of Ontario for all of the grant funding received in support of our efforts to enhance police service to the community.
